

THE DON WHITEMAN TROPHY WEEKEND, SEDDON RANGE, TRENTHAM 23/24 NOVEMBER 2019

SATURDAY 23 NOVEMBER - THE SPRING MEETING

The weather was fine and warm on Saturday, there were only light breezes all morning. When we shot in the afternoon at 600, the southerly wind was strong at times and usually straight across the range. It wasn't always easy to judge the strength.

The electronic targets worked well and we had a number of spare targets available.

The NZ Champion of Champions was shot at 600 after the last 600 of the competition was completed.

Many thanks to those that attended. It was great to have NRANZ members here from all parts of NZ. It was pleasing to have 4 tyros competing and a strong field of 17 in A Grade, 8 in FTR and 4 in F Open.

Thanks to Duncan, our President who came to present the trophies.

SUNDAY 24 NOVEMBER – THE HAWKES BAY CHAMPIONSHIP

The day was fine and warm. The wind was coming from the north and though changing direction and strength it was not changing quickly and was generally ok to read. It got stronger during the day and needed careful watching during the teams match. We shot through the day with no change of target at the two 800s. We shot the 900 with only a short break then had a short break to allow teams to get ready for the coached match. It was pleasing to have so many teams in the teams match.
