## **Coaching Resources Across New Zealand**

## **Collated by Ross Mason**

At the 2017 NRANZ AGM, I mentioned the dire need to get clubs to initiate some coach training within their regions and clubs. I have gathered a few links to the Regional Sports associations under Sport New Zealand. Their resources are significant and I would recommend taking a look at some of the Club Resources to enhance the operations of our Shooting Clubs.

Sport New Zealand (<u>sportnz.org.nz/</u>) is the gateway to all the Regional Sports Organisations (RSO). A host of resources here. It includes the new programme "*Performance Coach Advance Programme*". This is available to new coaches who are keen to develop their skills. They will need to be endorsed by their National Sports Organisation (NSO).

So let's start from South to North

## Sport Southland sportsouthland.org.nz

# http://www.sportsouthland.co.nz/SportSouthland/sport/coaching-2/coaching-resourceslinks/

This page seems to have a good selection of resources from beginning to the daily needs of clubs and coaches.

## Sport Otago sportotago.co.nz/

Inside this page <u>sportotago.co.nz/sport-1/coaching-1</u> is a 40 minute Coaching Course as a starter. Brilliant! I got two things back to front but I think it is a great introduction to coaching philosophy even if it is aimed at coaching kids for the first time. Some of us big ones are kids at heart and the same rules apply.

## Sport Canterbury sportcanterbury.org.nz/

Again, an organisations with links and resources to coaching course and qualifications. This page also includes Westland.

## Sport Tasman <u>sporttasman.org.nz/</u>

Under "Resources" and "Coach Development" and "Kick Starting" is another on line coaching Course to take. Again excellent coaching philosophy.

## Sport Wellington sportwellington.org.nz

Basic Coaching Courses are available. An opportunity for people to undertake a comprehensive coaching course with support from their National Sports Organisation. See under "Coaching" and "Coach Force" for application forms.

#### Sport Manawatu sportmanawatu.org.nz

Includes Coaching and club resources.

#### Sport Hawkes Bay <u>sporthb.net.nz/</u>

Includes Central Hawkes Bay all the way up to Wairoa. Doesn't seem to include too much on coaching resources at first glance.

#### Sport Waikato sportwaikato.org.nz/

Has all the usual coaching and club resources. Includes direct links to the Performance Coach Advance programme.

#### Sport Taranaki sporttaranaki.org.nz/

Not much happening here on Coaching resources....

#### Sport Auckland sportauckland.org.nz/

Good coaching resources from beginning to advanced. Recommended.

#### Sport Northland

sportnorthland.co.nz/

Again, a site that includes some Club resources. Information is there but little on coaching courses and resources.
