Lecture Theatres

With floor to ceiling rimu panelling and original leather seating, our two 100 seat lecture theatres are a pleasure to use and showcase the history of the buildings. The theatres have recently been refurbished with LED lighting, power points added for devices in the seated area and new carpets to make them a perfect venue to hold your next training or conference.

The communal areas of the building have recently been refurbished with new bathroom facilities on all levels. With ample parking onsite and Heretaunga train station across the road, location and convenience are key elements to the success of your next training or conference planning.

We do not provide technical equipment for our conference rooms or lecture theatres but we can provide details of local suppliers for equipment hire and support.

Conference Centre

For businesses or training groups looking for a venue that provides accommodation, catering and conferencing all in one place with beautiful scenery and easy parking solutions, then look no further!
