

**F Class Training Weekend.
October 5th and 6th 2019. Trentham Rifle Range. Upper Hutt.**

In April 2021 the World F Class Championships are being held at Blomfontein in South Africa. It is NRANZ intention to have New Zealand Teams, FTR and F Open, at this event. A full team for each Class is eight members.

As a first step on the road to getting teams, an open training weekend is being held on the Trentham Range on the 5th and 6th of October.

The weekend is not a trial and attendance is not compulsory even if you are interested in being in the teams.

Your current ability and standard of shooting is not important. Only the desire to improve. The weekend is about starting a programme of skill improvement and development to get to the standard that will be needed to compete.

The weekend is open to any NRANZ member that wishes to attend, especially F Class shooters, even if you are not going to nominate for the team, but just wish to improve your skills.

The Wellington clubs are shooting at long ranges on the Saturday and the training will work in with the clubs.

The weekend will start at 9am on the Saturday 5th and conclude at 3pm on the Sunday 6th. The Provincial Clubrooms will be used as the base.

If you are going to attend could you please let me know at m_gdodson@xtra.co.nz . My mobile number is 0276522640 if you wish to talk.
