

Wairarapa Spring Champs 01 Nov 2015.

What a day, high cloud very light winds. Perfect conditions for shooting the long ranges, although it started to flick about when shooting commenced at 1,000. Just enough wind to be a nuisance and to cause problems if you weren't watching the mirage & flags properly.

Shooter numbers were however a disappointment. Not helped by a busy weekend at Marlborough the weekend before and the final of the World Cup Rugby Champs earlier that morning.

This did not stop those keen and eager to get some long range shooting under the belt from having some fun on the range.

Grade by grade results were as follows:

A few photo's from the day.

Owen accepts 1st in the A and top TR score on the day from Gary ... Sorry Owen the Plate is at home I'll get it to you next week! ...:

Les Marshall accepts his medal from Owen for first in the B Grade:

C Grade champion is Stuart Brown:

FTR Champion John Mills:

Maurice Subritzky takes F Open Class:

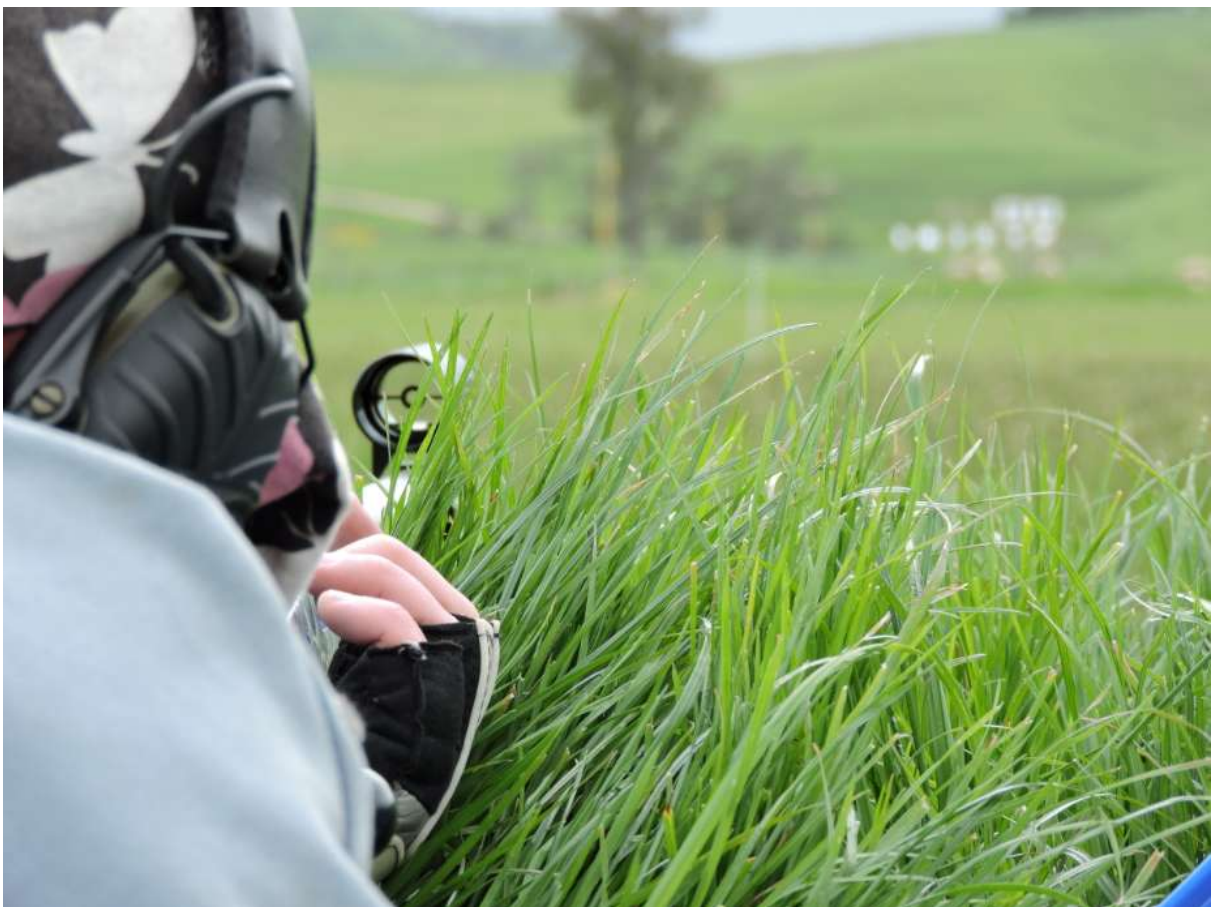

High Winds (Not!) were the order of the day... (Yeah Right!) ... not even the red flag was moving for much of the day ... And the sheep showed no interest at all with our activities!

Resting his foot against a live electric fence did not seem to bother Bob Gordon:

Very lush sole of grass on the mounds made for a “soft bed”... It’s better than battling with sheep or cattle “leavings”. Vic was able to handle the moment:

As for the plantain which currently covers the range you wouldn't want to suffer from hay fever ...
Can only help to add to the mirage on a hot day.

At time shooters almost disappeared into the grass.
